

PER 229 Introduction to Computer-Aided Management of Emergency Operations (CAMEO) Suite

Date: January 23–25, 2018 (8 a.m.–5 p.m. All three days)

Location: Cincinnati—Hamilton County Regional Operations Center

2000 Radcliff Drive Cincinnati, OH 45204

Course Description: This course provides training on the fundamental elements of the CAMEO Suite of programs as they relate to emergency situations. As such, it includes detailed technical information and hands-on practice of critical elements in the CAMEO system and its associated programs (CAMEO Chemicals, CAMEO ofm, ALOHA and MARPLOT). To better understand how the programs interface, participants are provided opportunities to practice key procedures that allow users to enhance planning and response activities associated with community risks. These exercises clarify the connections between the programs and how they can enhance emergency planning and response activities.

Prerequisites: None

Target Audience:

- Fire
- Law enforcement
- Emergency medical technicians
- Public health officials
- Hazardous materials professionals
- Public safety communications representatives
- Public works officials
- Emergency managers
